Goldthwaite Texas
R.4. April 1925-
Mr. J. C. Collier
Dear Cousin
Your letter of the 22th
reached me Yesterday was
very glad to hear from
You again
I am sure looking for
You in next month.
It is still dry here.
But there has been some
rain in East Texas
The last few days I dont
Know just how much rain
and how much of the Plains
it Caused.
It look like it would
rain for a week But it

got by and left the
rest of the state very dry.
There is not any crop
growing at all that I
have seen this spring around
here. If We Cant git rain
I guess I will have to try
and hunt work some where
in the Oil field work.
Oh. Yes. I just look at
Dunwards Photo since I
begain this letter. I am at
the Post Office at Goldthwaite
I am sure glad to git his
Photo. He is some fine
looking man. I Thank You
for the Picture and I hope
to git the Photo of Your
Daughter Jessie soon.

With Best Wishes to You
all I remain Respt
